Company Profile

Description	: Ayhaga Coco Indonesia is a company specifically engaged in the export of the highest quality of Desiccated Coconut and Virgin Coconut Oil from Sumatra, Java and Sulawesi in Indonesia. We started our experience by supplying and distributing the needs of the diaspora community since 2015. As time goes by, we are increasingly aware of the needs of the international community for products originating from Indonesia, especially coconut products and also their derivatives, because it cannot be denied that Indonesia is one of the largest producers of coconut products in the world. Therefore, our company is present and committed to being able to meet the world's needs for coconut products and their derivatives with the best quality, best service and competitive prices.
