Jl Boulevard Grand Depok City, Grand Dahlia Cluster , Depok, Depok,
WEST JAVA - INDONESIA

Company Profile

Description	: ADISHER is Indonesian fashion brand. Establisled in 2012. Adisher has own manufacture and mainly focuses on designing the high quality of handmade leather products for men and women. We designed our line of products from the high quality of genuine cow leather processed at the best local tannery in Indonesia. Another important material which has become the hallmark of Adisher products is the use of batik lining. The privilege of wearing Kawung Batik was only given to the Kings and their families. It is an honour for us to reintroduce the noble Kawung batik as our product's ornament. Wearing Adisher products might give the feeling of nobility since it shares the spirit of a royal Javanese kingdom. - When you carry Adisher products, you can find that Kawung Batik's existence will always be preserved- #To Inheritance And Beyond#
