Company Profile

Description

: JAYA SAKTI is a frozen seafood export company, located in Cirebon West Java, and Pangkalan Bun Central Kalimantan, Indonesia, specializing in fresh and frozen wild sea caught shrimps, scallops, shells, and fishes. Established in 1997, since more than 30 years ago, we are dedicated to providing our customers with exceptional quality of products and services. Our fresh products originated from Java Sea, Indonesia. These warm, clean, and nutrient-rich waters create an ideal environment for shrimps and fish to grow, develop, and mature to their full potential. Our factory is certified with Hazard Analysis & Critical Control Points (HACCP) and Good Manufacturing Practice (GMP), they are to ensure that our products and processes are consistently produced and controlled according to the highest quality standards. Once the shrimps and fishes enter our facility, they undergo various inspections in every department. Our Quality Control department tests every shipment that arrives for quality and freshness. The products are then hand graded to provide maximum uniformity and guarantee that only the finest ones go into packaging. These processes are to ensure every product that leaves our facility have met our high quality standards.
