HOME BASE ARMED BONTOMARANNU, GOWA,
SOUTH SULAWESI - INDONESIA

Company Profile

Description	: PT. Adimitra Pinus Utama (APU) has been a leader in the agribusiness sector since its establishment in 2007. Located in Gowa Regency, South Sulawesi, Indonesia, APU specializes in the management of non-timber forest products. Our commitment to sustainable practices and community cooperation is central to our operations. We produce high-quality gum rosin and turpentine, which are essential raw materials in various industries, including adhesives, coatings, and pharmaceuticals. Our products are currently exported to several countries, including India, China, Korea, Russia, and Vietnam. Our vision is to be a recognized leader in the sustainable management of non-timber forest resources. We aim to enhance the livelihoods of local communities while promoting environmental stewardship. At APU, we prioritize sustainable practices in our operations. We collaborate with local social forestry groups to ensure that our sourcing methods support the environment and local economies.
