Company Profile

Description	:	PT. Sumber Niaga Harapan is an Indonesian Manufacturer's Representative and Co-Packing Partner for various seafood categories, from Ready-to-Eat (RTE) to raw and value-added frozen seafood. As the appointed representative, we connect buyers with certified Indonesian Co-Packing Manufacturers while also filling the gap of services between factory capability and customer needs. Our core value lies in providing end-to-end Private Label Consultation, Creation, and Design Services, paired with our manufacturers' capabilities, making us the ideal partner for customers launching new brands, product lines, or refreshing brand visuals. Beyond these services, we also act as your Quality Control (QC) Supervisor on the ground, conducting inspections and leveraging our strong relationship with manufacturers to negotiate for more flexibility in sales terms & conditions (T&Cs). With our combination of services and partners, we are uniquely positioned to serve clients across the retail, private label, and food service sectors globally. Connect with us today to discover how we can benefit your business.
