WEST SUMATRA - INDONESIA

Company Profile

Description	: Asnur Indo Agriculture was established in 2020, beginning as a home- based production initiative driven by a commitment to quality and local agricultural potential. Over the years, the company has steadily grown, strengthening its operational capacity and expanding its product range. Located in Simpang Pagatian, Sungai Limau District, Padang Pariaman Regency, West Sumatra 25561, Indonesia, Asnur Indo Agriculture operates in one of Indonesia's rich agricultural regions. Our core focus is on agricultural commodities, including coconut and its derivatives, spices, and other high-quality agricultural products. Entering the end of 2025 and beyond, Asnur Indo Agriculture is preparing for international market expansion, aiming to bring premium Indonesian agricultural products to global partners while maintaining our commitment to quality, reliability, and sustainable growth.
