Company Profile

Description	: Company Description We are an Indonesian export company specializing in premium coconut-based products, particularly cocopeat and coconut fiber, sourced from trusted producers across Indonesia. Our products are processed under strict quality standards to meet the requirements of horticulture, agriculture, hydroponics, erosion control, and industrial applications in international markets. We are committed to delivering consistent product quality, reliable supply, and professional export services to customers worldwide. Through strong partnerships with local suppliers and sustainable sourcing practices, we aim to create long-term value for both our global clients and Indonesian producers. As part of our long-term business development strategy, we are continuously expanding our portfolio of Indonesian agricultural commodities to serve the growing demand in global markets.
