Company Profile

Description	:	Cococraft Kreasi Gemilang was established on year 1997, began over interest in various house holds made from Coco shell which found at the traditional market, it's an idea for us to create many more of crafts made from coco shell inlaid. At early activities we were only producing various Handicraft item made from Coconut shell as the main material, and then, have developed as well as the Furniture items. Along with the increasing of market demand that have much more variety, not only the patterns but also with many kind of types, so that we start producing the semi finished product and put them as Decorative material category. At the time being we are not only producing the items made from Coconut shell as main material. Due to the market demand and from Interior Designer also Consultant Designer, they have given a lot for us to develop and create much more new items. Now, the basic materials have developed to many others such as wood, tree bark, resin, sea shell, etc. No Limit in Creation You create it, let us realize it
