

SYAMS INDONESIAN HANDICRAFT, CV

Jl. Juwana-Jakenan KM.3 Selatan TPK Juwana Desa Karang Rejo RT.01/RW.03, Pati,
CENTRAL JAVA - INDONESIA

Company Profile

Description	: We are the largest woven bag manufacturer in Central Java, one of the islands in Indonesia, dedicated to turning plastic waste into high quality products. With the main raw material being plastic waste, we are committed to making a positive contribution to the environment while producing functional and aesthetic products. With a focus on sustainability, we utilize local workers, especially housewives, to weave our bags with skill and dedication. This not only empowers local communities but also ensures that every product we produce has added social value. We are proud of our global reach, with our products reaching countries such as Mexico, Japan, America, Brunei and many more. With continuous innovation in design and quality, we strive to continue to be a leader in the industry while continuing to contribute to reducing negative impacts on the environment.
