Company Profile

Description

: Horestco is a manufacturer and distributor of commercial-grade furniture for homes, hotels, resorts, restaurants, condominiums, projects and other commercial spaces. We specialize in indoor and outdoor wooden furniture, stainless steel furniture, custom made furniture, teak furniture and woven natural and synthetic rattan furniture. Horestco is a young but reputable company with a team that has many years of first-hand experience in the furniture and hospitality industry. We have developed, manufactured and supplied furniture to various clientele in over twenty countries. Our products and services are focussed towards two markets - furniture distributors and the hospitality industry. We supply furniture distributors and retailers - with our standard regular production items at very competitive prices. Our standard production items comprise of a complete furniture product line including bedroom furniture, living room furniture, dining room furniture and outdoor furniture. It goes through a rigorous process of continuous research, design, development and quality control before being mass produced. Investing in the latest machinery and a disciplined workforce, our products are semi-machine made - combining precision European machinery with traditional Asian craftsmanship. We also support our distributors at every step of the distribution process. For more information for distributors, please visit our dealer's info page.
