### Company Profile

Description	: Kaula Snack is a brand with trademark from PT. Kaula Food Indonesia. that was established in September, 2018. It was located at Subang, West Java. It operates in the snacks' production of tapioca chips, and fusilli snack. Our production activities start from the procurement of raw materials to the product packaging in accordance to established standards. We prioritize cleanliness and hygiene in every production process. we also have our own standard recipe to maintain the quality of the taste. Without using preservatives and MSG and following food grade standards, this product is safe for health and can be consumed at all ages. The name of Kaula Snack itself is derived from Sundanese language that has a meaning "My Snack". The given name importantly initiates the spirit and the working culture that Kaula Snack had in order to always focus and to commit in every innovation of the product, service, and continuous improvement in respect to be the main priority in customers' satisfaction. Until now, Kaula Snack has been being distributed to more than 40 cities in Indonesia, covering supermarket, minimarket, and even souvenir shop and also export to some country.
