Company Profile

Description	: Dyandra Nusa Pratama was established and started in 2019. It was just before the pandemic spread and hit the world globally. It came from a deep concern from our founder, Naftalia Sastra, S. Ds. and co-founder, Ni Komang Dessy Selviany, of having a product which purely made from the nature and sustainable for the environment. For now, we are focusing to create soap bar which purely made from natural ingredients with a local brand “Widyadari Natural Soap” with a silhouette of a female Balinese dancer as our icon. So far, we have made 11 types of soap bars and currently, we also keep improving ourselves to create another variants such as liquid detergent, shampoo bars, and many more.
