Report Status

This document has been compiled by Carsurin on behalf of the product's manufacturer and serves as the manufacturer's Safety Data Sheet ("SDS").

It is based on information concerning the product provided to Carsurin by the manufacturer or obtained from third-party sources and is believed to represent the current state of knowledge on the appropriate safety and handle precautions for the product at the time of issue. Further clarification regarding any aspect of the product should be obtained directly from the manufacturer.

While Carsurin has taken all due care to include accurate and up-to-date information in this SDS, it does not guarantee accuracy or completeness. Accordingly, as far as lawfully possible, Carsurin accepts no liability for any loss, injury or damage (including consequential loss) which may be suffered or incurred by any person as a consequence of their reliance on the information contained in this SDS.
