Jalan Tjilik Riwut KM 4,5 Perum Bukit Permai, Jalan Ekol Ibas 1, Jalan Bersama No. 1, Kelurahan Baamang Hulu, Kec. Baamang, Kab. Kotawaringin Timur, Provinsi Kalimantan Tengah, Sampit

CENTRAL KALIMANTAN - INDONESIA

Company Profile

Description	: We are exporter of Exotic plants and Aquatic plants. Borneo Aquatic was established in 2003. We have been doing aquatic business for almost 20 years and started the from hobbies. Based on our past experiences we proudly inform you that we have the highest number of satisfied customers. Here in Borneo Aquatic, we are continually improving ourselves by researching and trying new innovation that in the end would benefits our customers even more. Our main farm located in the city of Sampit, Central Kalimantan, Indonesia's center for plants propagating and farming. We have modern facility and over 1.000.000 stalks available, for stocking purposes, our customers are assured that a large number of species are available in stock & properly Quarantined prior to export. We also have a special area for propagating, laboratory and a packing room. We propagate a large number of species ourselves or have direct contact with the farms which allows us to have control of the whole Quality Control process. This ensures that you receive only high quality products from us at very reasonable prices. We take greatest to each specimen in our facilities to meet exceed our customer's requirements. Percentage of our Death On Arrival (DOA) is extremely low, size and quality is exact, and quality is among in the best in this industry.
