

BLITARIAN COFFEE EAST INDUSTRY,PT
Ds. Tapakrejo RT. 01 / RW. 01, Kecamatan Kesamben, Kabupaten Blitar, Blitar,
EAST JAVA - INDONESIA

Company Profile

Description	<p>: PT. Blitarian Coffee East Industry is a coffee processing industry that is committed to providing extraordinary coffee taste to coffee lovers. We are proud to be part of the passionate coffee processing industry, and we make quality and authenticity of coffee our main mission. Founded in 2020, we started our journey with a simple determination to provide enjoyment and the spirit of never giving up to people through quality coffee. From the coffee farmers we trust to the meticulous processing process, PT. Blitarian Coffee East Industry is the result of a proud journey. Best quality We prioritize quality at every stage of coffee processing. Our best coffee beans come from a variety of trusted sources, and through careful processing, we ensure extraordinary coffee taste in every cup. Processing We take the best coffee beans and undergo a series of processing processes that include selecting beans, peeling, roasting, grinding and packaging. By paying attention to each of these stages, we produce high-quality coffee products that we are proud of. Continuity We understand the importance of sustainability in the coffee industry. Therefore, we are committed to contributing to the welfare of coffee farmers and protecting the environment around us.</p> <p>Vision & Mission Our Vision To become a leading coffee producer recognized globally, bringing delicious Indonesian coffee to the world by focusing on quality, sustainability, customer satisfaction and innovation. Our Mission</p> <ol style="list-style-type: none"> 1. Quality First: We strive to provide the best coffee by prioritizing the quality of the coffee beans we use, careful processing, and attention to every detail. 2. Sustainability: We are committed to protecting the environment and contributing to the well-being of our coffee farming community. We strive to reduce our environmental impact with sustainable practices in every aspect of our operations maintaining biodiversity, and supporting environmentally friendly agricultural practices. 3. Customer Satisfaction: We listen and understand our customers' needs carefully, so we can provide the best coffee experience. 4. Innovation: We continue to innovate in coffee processing technology and look for new ways to create unique coffee flavors and experiences for our customers. <p>Our Values Five company values for PT.
