Company Profile

Description	: Founded in 2023, PT. Bio Industri Global aims to provide the best quality organic fertilizers and essential oils to our customers around the world. Our products, starting from pure essential oils which collaborate with farmers to produce high quality plants and are processed using high technology to produce quality essential oils, we also produce Granulated Organic Fertilizer to Powdered Organic Fertilizer, enriched with selected natural ingredients. Enriched with microbes and natural NPK nutrients to substantially promote plant growth. At PT. Bio Industri Global, we put the environment and society first by actively supporting our customers in achieving their goals towards sustainable agriculture. Our factories & offices are located in Malang, Kediri and Nganjuk, East Java which can be accessed by the Tanjung Perak international port and Juanda International Airport in Surabaya, East Java.
