Company Profile

Description	: Hi, I'm Kiara, founder of PT. Ayo Kita Ngopi or goes by with brand name "Bruu Coffee Studio". At Bruu, our mission is to bring the finest Indonesian coffee beans to the world while sharing the unique stories behind each harvest. Specializing in high-quality Arabica and Robusta beans, we partner directly with dedicated farmers in Java and Aceh, working closely to ensure every bean represents Indonesia's rich, diverse landscapes—from volcanic soils to mountain highlands. Our commitment goes beyond sourcing quality beans. We oversee every stage, from sustainable farming practices and precise sorting to quality control and personalized export services. This hands-on approach means that each shipment from Bruu is a true reflection of Indonesia's coffee heritage. Let's connect, and let us share the depth and warmth of Indonesia in every cup.
