Company Profile

Description	: PT. Sakha Multi Niaga is a company that operates in the field of managing and buying and selling paper waste in the surrounding environment as well as production waste in factories spread across the country or abroad. With the enormous potential for waste, apart from managing it directly, we also collaborate with various parties such as collectors, large warehouses, suppliers both domestically and abroad in order to maximize global waste handling and management. From this management, we supply the results to smelting factories both in Indonesia and other countries. Apart from providing ready-to-melt waste, we also provide paper in various sizes and shapes for SME and industrial scale needs. PT. Sakha Multi Niaga is supported by experts who are competent in their respective fields and of course also supported by equipment and infrastructure that suit their needs. And we also don't forget to say that, PT. Sakha Multi Niaga was started in 2018 in a small city, namely Jombang, East Java, then we were officially established as a legal entity on March 23 2023 until now.. The types of waste that we manage, such as: 1.
