### Company Profile

Description	: CV Trust Indo Damar is a private company established on December 23, 2021 and is engaged in non-timber forest products, especially resin or Damar Batu. CV Trust Indo Damar is a change and improvement in the licensing status of individuals who have been operating since 2015. We are a dynamic company that continues to grow in line with the conditions of the times, and is competitive. We continue to develop the products of our work by prioritizing partner satisfaction as the focus of our business, for all of our work partners. The progress achieved by the company is inseparable from 3 main factors, which is human resources, business processes and corporate values or culture. The integrated synchronization of these three factors is a step that must be taken by the company in order to be able to lay the foundation for the company's goal of becoming the main choice for non-timber forest product service providers, especially Damar Batu.
