### Company Profile

Description	: Miracle WoodArt is a home handicraft located in Bali, which has been producing crafts since 2020. Our crafts were made from wood recycle products. We utilize various shapes and size of wood waste. We use some types of wood, such as : Dolken, iron wood, camphor , bengkirai, flare wood and teak. Then, we do some improvement processes, so that they are looked attractive and have more economical value. This waste were in shape of : piece of woods, wood chips, wood beams, and wooden batten. It is expected that our creatives ideas and efforts may utilize unuseful wood waste, which may endanger environment. Also, we can inspire others to create their creativity . At the end we can help people by opening new job opportunities.
