Company Profile

Description	: PT Best Indonesian Honey, a leading supplier of high-quality natural honey sourced directly from local beekeepers in Sumatra, Indonesia. Our founders started this company with a commitment to providing customers with the highest quality honey possible while supporting sustainable beekeeping practices and local communities. We work closely with local beekeepers in Sumatra, Indonesia, particularly in Riau and Jambi, to source our honey. By supporting these beekeepers, we help promote sustainable beekeeping practices and support the local economy. We offer a range of raw natural honey products, including Acacia Honey, Multiflora Honey, and Multiflora & Acacia Honey. All of our honey products are pure, unadulterated honey, free from any additives or contaminants. At PT Best Indonesian Honey, we prioritize four core values: quality, sustainability, community, and integrity. Our commitment to these values ensures that we provide our customers with the highest quality honey while promoting sustainable beekeeping practices, supporting local communities, and conducting our business with honesty and transparency. Our vision is to be a leading supplier of natural honey, known for our commitment to quality, sustainability, and supporting local communities. Our mission is to provide our customers with the highest quality honey, pure and unadulterated honey. Visit our website to learn more about our company, our products, and how we're working to improve the local economy while reaching international markets. Our pure and natural honey products are perfect for anyone looking for a healthy and delicious sweetener option.
