Company Profile

Description	: We are a group of modern agro-farmers, striving for sustainable practices to yield the highest quality agro-commodities from our motherland We are a united Indo-agro family, providing national to international partners with the original Indonesian quality the world treasures deeply. Acknowledging the continuously growing demand for agro-commodities, we pioneer solutions together with local farmers to enforce a refined cycle system that ensure the capabilities of meeting the future supply plans We are a community of farmers with unity in diversity. We are a family. We are Mitra Makmur Jaya Successfully meeting the world's continuously increasing agro-commodity demands was no easy task. MMJ cooperates with local farmers that put forth a sense of responsibility and sustainability throughout the agro-cycle, providing a 100% Indonesian quality product range. Enforcing strong relations with local Indonesian farmers, our program enables farmers to competitively market their agro-commodity on a national to international scale whilst protecting farmer rights and providing solutions towards environmental concerns. Part of the program is dedicated to providing the local agro workforce with educational and economic support. By choosing our products, you are contributing to providing prosperity and life to the responsible farmers of Indonesia
