Company Profile

Description : We are a company engaged in trading, producing and exporting agricultural commodities from Indonesia. The products we offer are of good quality and are highly absorbent in the international market. We support local farmers and products so that they can be known abroad. PT Sukses Makmur Negeriku, always prioritizes community social values and provides good added value for customers and local farmers in Indonesia. We have several suppliers who specialize in their respective fields, each in charge of the products we offer such as: bananas with various variants, chips, breadfruit, areca/batel nut, ginger, galangal, copra, jengkol, coconut fiber and others. Our experience in trading agricultural products in the country, in the form of processed products or ready-to-eat products, gives us insight and knowledge to manage various kinds of products that are of interest in foreign markets and of superior and good quality. We have offices and warehouses located in south Jakarta, and are supported by experienced forwarding partners who have had a portfolio in domestic and international shipping (export) in recent years.
