WEST JAVA - INDONESIA

Company Profile

Description	: PT MEKAR SALUYU GRUP is a plantation company that focuses on Robusta coffee commodities. This company was started in 2009 and officially founded in 2016. We successfully exported our first coffee in 2017. Currently, we are in the growth and development stage of our biopharmaceutical business, including ginger and vanilla cultivation, as well as empowering local farmers in Indonesia. Our warehouses are in Bengkulu and Central Java, with the main products being coffee beans, vanilla and elephant ginger. In 2021, we established a processing facility that produces coffee, vanilla and ginger derivative products. We continue to expand plantation areas with sustainable and environmentally friendly guidelines and improve the economic level of our assisted farmers. We are also a stock lot for various spice commodities such as black pepper, nutmeg, cloves, cinnamon, and others. Through maintaining consistent quality and patient efforts, we have succeeded in exporting Indonesian agricultural commodities to more than 15 countries. We believe that with the experience and knowledge we have, we can produce high quality products according to market needs..
